Hello Bennett College Parents,
We’d like to say thank you for your continued support of Bennett College as we work through some challenging times. We’ve heard from many who purchased T-shirts and paid dues and hadn’t heard from anyone after that about the BPA and quite frankly the Association was on hold until we could work through the issues that were tantamount to the school. Thank you to all of the parents who gave, who cheered and asked friends to help give in the #StandwithBennett Campaign. It was a phenomenal success. While it didn’t produce the outcome we had hoped, it set us on a path to financial stability and success. After the Announcement of outcome of #StandwithBennett a group of parents joined a call in order to reignite the The BPA. That group established a Cohort to move forward with the planning of a new election and how to move forward with being reactivated as a group under the direction of the Office of Institutional Advancement. A tremendous thank you also belongs to the Parents who volunteered for the Cohort and pulled together this incredible amount of work in such a short time. Parents the BPA is ready to reignite but only with your participation and assistance. We look forward to working with you all.
