

Bennett College for Women

Institutional Objectives

Institutional Objective #1:

Achieve and maintain financial stability as measured by enrollment growth, retention, philanthropic partnerships and the practice of prudent cost containment strategies that improve efficiency.

Institutional Objective #2:

Strengthen the quality and rigor of the educational experience to promote student success as measured by increased faculty recruitment, student engagement, and the development of new academic programs.

Institutional Objective #3:

Implement a comprehensive student success plan with an emphasis on leadership development resulting in improved graduation rates, improved graduate school admissions, and improved career placement.
