

Request for Qualifications for Architectural Services Preservation and Restoration of the Susie Jones Alumnae House

Bennett College is requesting qualifications for architectural services in support of the preservation and restoration of the Susie Jones Alumnae House. The architectural scope of services includes a comprehensive assessment of the building, development of design and plans for restoration, and monitoring the construction process. Applicants must have at least five years of direct experience working with preservation projects, knowledge of the U.S. Department of Interior Secretary's Standards for the Treatment of Historic Properties and previous experience with federally funded projects.

Please submit two copies of qualifications to the Office of the Associate Vice President for Operations and Logistics, Bennett College, 900 East Washington Street, Greensboro, NC 27401, by August 28, 2020. Submissions should include relevant experience and qualifications, listing of historic preservation/renovation projects, fee proposal, at least three references and any other relevant information.
