MISSION

Bennett provides educational access to students while promoting inquiry, civic engagement, social justice, lifelong learning, and equity for all.

VISION

Bennett College is renowned for its intimate, engaging learning community that produces phenomenal women scholars and global leaders.

BENNETT COLLEGE'S HISTORY

Bennett College was founded in 1873 as a co-educational institution. Its first sessions were held in the basement of St. Matthews Methodist Episcopal Church in Greensboro, North Carolina. The school was founded through the inspiration of newly emancipated slaves. The Freedman's Aid and Southern Society of the Methodist Episcopal Church assumed responsibility for the support of the school. Lyman Bennett gave the first ten thousand dollars for the purchase of land and the erection of a building large enough to house the classrooms and serve as a dormitory. Shortly thereafter, Mr. Bennett died of pneumonia while seeking funds for the purchase of a school bell. The institution was named Bennett Seminary in memory of Mr. Bennett, and the first building was named Bennett Hall.

Achieving college status in 1889, Bennett, as a coeducational institution, graduated men and women who assumed positions of leadership in all walks of life. Two of the first Black Bishops in the Methodist Episcopal Church were graduates of the school. Early in the twentieth century, the Women's Home Missionary Society decided to build a college for the education of Black women. The Board of Education of the Methodist Church offered the Bennett College site for the project. The college was to be operated jointly by the Missionary Society and the Board of Education.

The reorganization of Bennett College was effective in 1926, when it became a senior college for women. The physical plant consisted of nine buildings, occupying thirty-eight acres. There were 151 high school students and ten college students. The College grew steadily and by 1930 enrolled 138 young women. David Dallas Jones became the president of the new Bennett College in 1927. He

built the College into a 40-acre institution with 30 buildings. He attracted the attention of such educational foundations as the Pfeiffer Foundation, which made it possible to build Pfeiffer and Merner Residence Halls, the Chapel, the Heating Plant, the David D. Jones Student Union, Black Hall, and the Little Theatre. The Library was built in 1939 and named for a former trustee.

The College's first female president was Dr. Willa B. Player. She was named to the post in 1955 when Dr. Jones was seriously ill. It was during her presidency that, in 1957, Bennett became the only private, Black college that had full membership in the Southern Association. By the end of her term, Laura Cone Hall and Ida Goode Health and P.E. Buildings were built and a new science building was started. The next president was selected with the help of faculty. Under the leadership of Dr. Isaac H. Miller, Jr. the alumnae association became active, during his term from 1966 to 1987.

In 1967 the largest dormitory on campus, the Willa B. Player Residential Hall, was built. The Henry Pfeiffer Science Building came along the next year. In 1981 the Rose Catchings Complex was built to house the president's offices, Student Health Services, the Counseling Center, the Learning Center and the Belk Faculty Development Center.

STUDENT EMERGENCY ASSISTANCE

Within the residence halls, a Residence Director is on call 24 hours a day and 7 days a week as well as a Resident Assistant. All information is available on the staff board located in the main lobby of each Residence Hall.

If there is an emergency in the building, residents are asked to call the staff member posted on the duty board, immediately. Once the staff member determines the nature of the call, they will request additional assistance if needed from EMS, Campus Safety, or the College Counselor.

For non-residential students, they should contact Campus Safety at 336-370-8621 to report an emergency. This information can be found in the Guide to Residential Living and the Student Handbook.

CRISIS MANAGEMENT

The Bennett College Emergency Response and Crisis Management Plan outlines the procedures for responding to situations which have or may threaten the lives of faculty, staff, students and College property. The Emergency Response and Crisis Management Plan outlines the procedures for notification of emergencies, initial response protocols and the responsibilities of each member of the Emergency Response Team (ERT). The plan also identifies external resources serving as coordinating partners with the College to address emergency or crisis situations including the local police, fire and emergency management services. The procedures and protocols contained in the plan are designed to be flexible in order to accommodate situations of varying types and magnitude that include fire, bomb threats, natural disasters, adverse weather, violent or criminal situations, utility failure, and hazardous materials.

The Executive Director of Campus Safety is responsible for administering the plan and ensuring all responding parties are knowledgeable of their roles and responsibilities, are kept informed of updates and/or revisions to the plan to ensure adequate, appropriate and timely response to situations, and receive essential training. Faculty, staff, students and parents are encouraged to register for the BelleAlert which serves as the College's emergency alert system. This mechanism of communication provides immediate notification of emergencies or other situations which may impact the safety and the security of the campus community.

OFFICE OF CAMPUS LIFE

MISSION

The Office of Campus Life strives to provide an environment that is safe, secure, comfortable, and convenient and that promotes personal growth, social development, the celebration of individual differences and academic excellence.

VISION

The Office of Campus Life will provide an experience that recruits, retains and supports students through graduation. We provide opportunities for students to gain the skills needed for personal, social and academic success. Our services, programs, and activities will enhance each person's individual efforts towards academic and social growth, involvement and citizenship in a compassionate and inclusive community.

The Office Campus Life is composed of the following sub-units:

RESIDENCE LIFE

Bennett College is a residential college and encourages its students to live on campus during their enrollment. Students classified as freshmen and sophomores must reside on campus, regardless of the number of years enrolled. However, the College recognizes that certain circumstances may prevent on campus living. Such cases will be considered by the Director of Campus Life on an individual basis. Residence Life provides the student with an important opportunity for learning and practicing the value of group living.

The policy of the College is for students to live on campus during their Freshwoman and Sophomore years to assure each student has contact with young women from a large geographical area and of varying backgrounds and experiences. This experience fosters an understanding of regional and cultural diversity and enhances the educational process. Residents are expected to live by the general academic and social standards of the College as contained in the Guide to Residential Living and other institutional publications.

The privilege of residing in the residence halls can be withdrawn by administrative action, pending investigation and hearing, if students fail to adhere to and support residence hall and/or College regulations. Curfew hours for Freshwomen are 12:00am from Sunday-Thursday and 2:00am from Friday-Saturday.

The residence halls are closed during Thanksgiving and Winter Breaks. All

buildings MUST be vacated. Please see the Academic Calendar for closing dates and times. During Spring Break, special consideration may be given to international students, student teachers, and others as necessary. Students requesting housing for Spring Break should notify Campus Life Officials at least fourteen business days before the starting date of Spring Break.

CAMPUS LIFE

The Office of Student Clubs and Organizations takes great pride in the development of student leaders through their participation in Student Clubs & Organizations. Students have the opportunity to participate and hold leadership positions in over 38 Student Clubs and Organizations. Those organizations include but are not limited to the Student Government Association (SGA and Royal Court) and the Campus Programming (Student Union Advisory Board).

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) is responsible for addressing student concerns, planning activities, and supervising various student committees. Executive officers are elected each year, but all currently enrolled students are considered members of the organization. Every student is encouraged to become active in student government by participating in elections, attending meetings, involving themselves in committees and contributing ideas through their elected officials. A list of officers and committees and the SGA Constitution are on file in the SGA Office and the Office of Student Clubs and Organizations.

GREEK LIFE

All Greek-Letter organizations on the campus of Bennett College are members of the National Pan Hellenic Council (NPHC). At all times, NPHC chapters are required to strictly follow the Membership Intake Process developed by their respective regional and (inter)national leadership. All NPHC chapters are responsible for educating their membership on all membership intake policies and practices. Initiation of the Membership Intake Process will be held during the spring semester of each academic year if eligible organizations elect to participate. When a chapter enters the Membership Intake Process, the following must be done:

- Complete all necessary steps in accordance with the Membership Intake Policy of the organization.
- Notify the Office of Campus Life of the application for membership intake at least seven days prior to sending the application to the regional and or (inter)national leadership for approval. The Office of Campus Life will keep this information confidential until membership intake is complete.
- Notify the Office of Campus Life of any changes to and results of the Membership Intake application by the designated deadlines.

The following procedures affect service Greek letter organizations:

- Any student who is enrolled at Bennett College for at least two semesters with an overall grade point average of 2.7 or better and has accumulated 30 semester hours may be considered for membership into a Pan Hellenic Organization. Interested students must be in good financial and community standing. A satisfactory grade (S) in ACES the semester prior to your application for membership is required. Students earning a “U” in ACES the semester prior to their application will not be permitted to enter the process. Community service requirements must be met by all applicants. Students must have completed 50 hours of community service by February 1 of the spring semester. Finally, interested students must have attended a Greek Conversations session prior to the start intake and paid the \$20.00 session fee.
- All Pan Hellenic Organizations must submit a list of all prospective members and receive approval from the Office of Campus Life prior to the membership intake process and prior to submission of any names to national headquarters. Verification of eligibility must be obtained from the Office of the Registrar through the Office of Campus Life.
- The Pan Hellenic Organizations must keep an active membership record on file in the Office of Campus Life. Pan Hellenic Organizations may have one membership intake period per academic year.
- Pan Hellenic Organizations are permitted to have membership activities as well as educational, religious and cultural programs.

- The intake period for Pan Hellenic Organizations shall be a time of service to the College, community, organization and the nation.
- Prospective members must have met all financial obligations to the College in order to be considered for membership. The Office of Student Accounts provides this approval based on a zero balance as reflected through the student balance (i.e., the amount owed to the College.)
- Prospective members must have completed a minimum of fifty community service hours (on record in the Office of Community Service) prior to the start of intake. Service hours will be verified by the Office of Campus Life.
- The membership intake process shall be a maximum of four weeks. The time of the membership intake period shall be set forth by the administration of the College with due consideration of the requirements set by the National organization.
- There shall be no hazing, inhumane treatment, walking in line or “Hell Week” for prospective members of Pan Hellenic Organizations. Any violation will result in disciplinary action by the College and the national organizations. Please see the Bennett College Code of Student Conduct and the Anti-Hazing Statement below for rules prohibiting hazing and similar activities.
- The Pan Hellenic Council Executive Board shall consist of one representative from each Greek lettered organization registered on the campus. This policy making body shall convene at least once per month.
- Once intake has completed, all members in Greek Life must maintain at least a 2.7 GPA during their time at Bennett College to be considered an active collegiate member on campus.
- Failure to abide by all rules and regulations of the institution and the Pan Hellenic Council will result in disciplinary action, which may include suspension.
- No off-campus sorority or fraternity may carry on business on Bennett’s campus without prior approval of the Dean of Student Experience or

designated designee.

- Advisors should be aware of all phases of sorority activities and must know what is going on at all times. The Code of Conduct is extended to off-campus activities.

BENNETT COLLEGE ANTI-HAZING STATEMENT

Bennett College will not tolerate or condone hazing in any form. Any practices, ceremonies, behaviors, or rites of induction which tend to allow mental or physical suffering are prohibited. It shall be a violation for any person to haze any student in connection with or as a condition of gaining acceptance, membership, office, or other status in a College organization.

The College defines hazing as any willful act by one or more students and directed against any other student(s) that:

- Subjects the student—intentionally or unintentionally, on- or off-campus—to mental or physical indignity, humiliation, discomfort, embarrassment, harassment or ridicule, violation of College rules and regulations, violation of laws or policies of the parent organization and/or violation of any local, state or national laws.
- Intimidates the student by publicly threatening or ostracizing her.
- Submits the student to shame or disgrace among fellow students.
- Discourages the student from remaining at Bennett College or causes her to leave rather than to submit to such acts.
- Constitutes a legal assault—including striking, beating, bruising, maiming or any other type of physical violence—or constitutes a threat to do any of these acts.

Specifically forbidden hazing activities include, but are not limited to, paddling in any form, inducing another to be nude, tasks of personal servitude, any work sessions or meetings which interfere with scholastic activities or requirements, loud noises or activities that disturb the neighborhood, temporary or permanent disfigurements or cosmetic changes, calisthenics (push-ups, jogging, runs, etc.), activities or actions that require or include theft or other illegal practices, creating excessive fatigue, physical and psychological shocks, publicly wearing apparel that is bizarre and not in good taste, engaging in public stunts, morally degrading or humiliating activities, depriving persons of the opportunity for sufficient sleep, forcing or coercing persons to consume alcohol

or unusual substances as unprepared food, blindfold trips, inhumane treatment, walking in line or “Hell Week” activities, and any requirement that may cause a student to violate the Bennett Honor Code or the code of Conduct, or any College, state or federal laws. All rites, ceremonies or practices of initiation or orientation into college life or into the life or membership of any college group or organization should be of an educational, historical, functional and inspirational nature.

Each and every organization has the responsibility to inform its membership, both old and new, of any important college policies including those on hazing. All Bennett College organizations are responsible for the actions of all visiting members, friends, and/or alumnae, who will be subject to the same behavior standards and policies as members of the organizations. Hazing is forbidden by the College and anyone suspected of hazing will be investigated and may face disciplinary and/or legal action.

Recreation is an integral component of any higher education endeavor. A Fitness Room is located in the gym for student use. Additionally, a walking track, outdoor basketball court, and tennis courts are available for the students and community members.

CAFETERIA TAKEOVERS

All cafeteria takeovers must be coordinated with the Master calendar and cannot be scheduled in conflict with events that are happening in the Private Dining Room. No vulgar music will be permitted. The College will not provide mics or speakers for disc jockeys. Please follow the event approval guidelines for approval of café takeovers.

All parties/dances must begin no later than 10:00 pm and end by 2:00 am. Sufficient College employee chaperones must attend gym jams and parties. In gaining approval for parties and dances, the Director of Campus Life’s signature is required. The club or organization sponsoring the party and/or dance must provide a list of four to eight chaperones that will assist with the event 14 business days before the date of the event. Chaperones are required to be present during the entire event.

The sponsoring organization must provide funds to cover the cost of an external security company that is selected at least 45 days in advance. Organizations planning to host a Gym Jam must contact the Director of Campus Life for the procedures to host the event at least 30 business days in advance. The capacity for the Gym will follow CDC, as well as state and Guilford County Guidelines.

Off-campus activities must follow the same procedures as above. All rules, regulations and the Code of Conduct governing students on campus apply to students off campus. Infractions of the Code of Conduct while off campus will be brought before the appropriate authority. In an extreme emergency, contact Campus Safety at 336-370-8621 and let them know the location and nature of the emergency. Campus Safety will contact 911. Students, faculty and staff should not call 911 directly, as this may negatively impact their response and possibly delay service.

WHAT TO DO WHEN YOU'RE SICK

Students should not remain in the residence halls while seriously ill without being in contact with the Health Center. Under no circumstances should another student telephone the parents of a student who is ill without the request and/or permission of the ill student; contacting the parents of an ill student is the responsibility of the student or a College official. A cooperative effort between the Health Center, Campus Life, Campus Safety and the student is necessary to ensure immediate, efficient health care and safety for Bennett College students.

REFERRALS

The College Physician or the Nurse Practitioner makes referrals to other physicians and health care facilities as necessary. Referrals may also be made at the request of the student. The Health Center staff or the student may make the initial contact to the referral resource. Parents of students under the age of 18 are notified before the referral is made. Students 18 years old and older are responsible for notifying their parents of the referral.

All dental-related problems are referred to a dentist. A choice of dentists is given to the student, who will make her own appointment. In some cases, the nurse may facilitate the contact. Fees for consultation and referrals are the responsibility of the students and/or their parents.

COMMUNITY SERVICE

The mission of Community Service at Bennett College is to serve as a liaison for students and community resources within the greater Greensboro, North Carolina area. Students are challenged to fulfill their civic responsibility by exploring various

dimensions of entrepreneurship, global education, communication and social justice.

Community Service is intentional volunteer work that benefits the local community. It is often done near the area where you live so your own community reaps the benefits of your work. You do not get paid to complete community engagement hours.

Volunteers seek meaningful relationships with a community agency or an approved work site to perform duties that are dedicated to problem-solving initiatives in education, campus safety, the environment, and other human needs. Through community engagement, student volunteers build networks and form partnerships that often lead to internship opportunities or full-time employment. Community service hours may be completed individually, as a student organization, or with a College department.

The College has mandated that all students must complete a total of eighty hours of Community Engagement before graduation. Community service hours for the classes of 2022-2024 have been adjusted due to COVID-19. Please see the Director of Campus Life for additional information. Transfer students must complete a minimum of twenty hours for each year of matriculation at the College. Each student must submit documentation supporting their community service hours. If you are completing community engagement hours at one of the sites listed in the Community Service Resource Guide, prior approval is not needed. Before beginning the project, please submit the Community Service Proposal Form at least 10 business days in advance to the community engagement administrator for approval.

The College's Community Service Resource Guide is an excellent resource to match your individual interests and skills with one of many agencies in need of assistance. This guide includes community organizations, descriptions of assistance needed, and hours of operation. Students should call one of the organizations listed in this guide if they are interested in fulfilling their Community Service requirements. Validated student community engagement hours can occur whenever a student is enrolled at Bennett College, which includes times when the school is not in session.

For additional questions, please contact the Director of Campus Life, Rachel Pridgen at 336-517-2200 or via email at rpridgen@bennett.edu.

OFFICE OF LEADERSHIP AND CIVIC ENGAGEMENT

Leadership Development opportunities and Community Engagement initiatives can assist students in the development of their leadership abilities and capacities, as they seek to create positive social change in their external communities and in the world.

VISION

The Office of Leadership Development & Civic Engagement envisions that students and alumnae will be active participants in society with a strong commitment and responsibility to work with others towards leadership for a better world: a future where active citizenship, civic engagement and social responsibility are continuously practiced.

MISSION

The Office of Leadership & Civic Engagement provides transformative on-campus and community-based experiences to prepare students for leadership roles in the workplace, society, and the world. We do this by providing leadership development and civic engagement opportunities, which allows students to understand positive social change from the individual, group, and community/society perspectives.

STUDENT LEARNING OUTCOMES

By participating in leadership development and civic engagement opportunities, students will:

- Develop and expand their understanding of and capacity for active participation in a community.
- Gain an understanding of identities and backgrounds different from their own.
- Connect and apply knowledge from their civic engagement experiences, using these experiences to comprehend, analyze, and/or challenge theories and frameworks.
- Increase their knowledge and understanding of leadership foundational

theories and models.

- Cultivate a sense of self-awareness through identifying leadership styles and values.

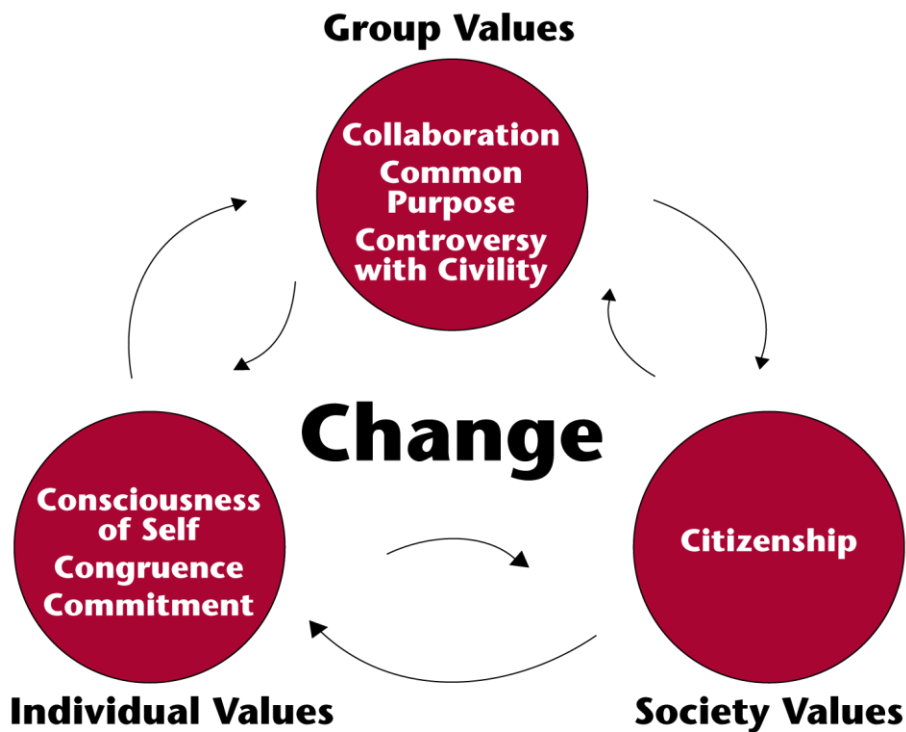

All leadership programs at Bennett College are based on the eight Cs of the Social Change Model of Leadership:

Individual Values:

1. Consciousness of Self
2. Congruence
3. Commitment

Group Values:

1. Collaboration
2. Common Purpose
3. Controversy with Civility
4. Community Values
5. Change

Why should students participate in leadership training and civic engagement opportunities?

1. Leadership skills are highly sought after by employers.
2. Our communities need leaders who will impact positive change.
3. Students develop a strong sense of who they are through engaging in self-awareness and personal empowerment activities.
4. Discovering your values and purpose through leadership development and civic engagement is a fulfilling and meaningful experience.

ACADEMIC CULTURAL ENRICHMENT SERIES

HISTORY

When Bennett College was co-ed, long before it became a women's college, it was felt that graduates of Bennett College needed more than "book learning" and intellectual discourse to be successful. Bennett College graduates needed to be well-rounded: the whole person needed to be prepared to deal with the ever-changing world. Therefore, as students, they needed to have opportunities to come together as a community and have common cultural and spiritual experiences. Thus, special convocations, lectures and seminars, now called Academic Cultural Enrichment Series (ACES), became a part of the Bennett Way of Life.

Throughout her existence, Bennett College has always afforded her students with opportunities to interact with well-known personalities and dignitaries. Female "movers and shakers," artists, performers, political figures and spiritual leaders have graced our campus and impacted the lives of faculty, students and members of the local community. These experiences encourage students to enhance their cultural and intellectual development, learn how to appreciate and accept ideas and beliefs different from theirs, learn how to listen, learn to dress in professional attire, and acquire behaviors that often make a significant difference in how one is perceived and accepted by others. Bennett students, by way of ACES, in a community setting, learn those skills that easily identify them as women of the 21st Century—Bennett women—who know what is appropriate.

PROCEDURES

Students are to follow all written procedures to receive credit. Students must attend all events on time; late arrival of 15 minutes after the program will prohibit a student from entering the Chapel and receiving ACES credit for that program event. At the conclusion of each program, all students, marshals and program participants must present a valid ID card for scanning. It is the student's responsibility (not the scanner's) to confirm that the information is correctly displayed on the computer monitor. Credit will not be given for lost ID cards. You may not present an ID card for another student. It is the responsibility of the student to confirm attendance and to follow up on ID issues or concerns within

two business days. You will not be allowed to go to your room or off-campus residence to retrieve your ID card to receive credit.

GRADING

The ACES attendance requirement is applicable to all full-time students for each semester you are enrolled at Bennett. Each program is assigned a point value of one or three. A grade will be awarded during each semester based on the total points earned. To receive a grade of “S” (satisfactory), you must obtain 75% of the ACES program points in keeping with the College’s class attendance policy. If you fail to achieve the 75% total, a grade of “U” (unsatisfactory) will be earned.

ATTIRE

Standard attire for ACES programs includes dresses, skirts, business dress pants and pants suits. These items should be suitable for work, internships, presentations and participation in business and academic functions. Students wearing jeans, khakis of any color, corduroy pants, midriff-baring tops, ankle or drawstring pants or shower shoes will not be awarded credit or admitted into the Chapel. White dresses, skirt suits and blouses and skirts are required for formal convocations which include Convocatum Est, Founder’s Day, Honors Convocation, Senior Day and Charter Day. Credit will not be awarded for pants or pantsuits for formal convocations. For more information, please consult the Bennett College Dress Code in the Belle Handbook.

CONFLICTS

If there are circumstances that prevent you from attaining the 75% quota of points for the semester, you must apply for an attendance waiver during the first six weeks of each semester by the deadline date. If you are granted an ACES waiver, you must earn 50% of the total points required. **FAILURE TO COMPLETE THIS REQUIREMENT WILL RESULT IN AN UNSATISFACTORY GRADE FOR THE SEMESTER.**

To apply for an ACES Waiver or to discuss extenuating circumstances, see Ms. Natalie McLean, Office of Religious Life located in the basement of the Annie Merner Pfeiffer Chapel Hall. ACES waiver requests are subject to approval or

disapproval each semester.

ACES CONTINGENCIES

If you earn a grade of “U” in any semester, you may not receive academic honors during Honors Convocation or apply for membership in any national sorority sanctioned by the College. To run for a class office or SGA office and be accepted as a Resident Assistant candidate, your ACES grade must be “S” for one semester prior to your application. In addition, students who receive a “U” in ACES during their last semester will not graduate with honors.

APPEALS

If you have a concern about receiving credit for attendance, you have five business days after the date of the program to appeal a decision denying you credit. You will receive a response in writing within three business days. It is your responsibility to check with the ACES Coordinator after every program to verify your attendance.

TRADITIONAL CEREMONIES

- 1) **“Convocatum Est,”** a Latin phrase for “first gathering,” is the College’s first formal assembly of the entering students who will make up the first-year class, including transfer and exchange students. Convocatum Est is typically the first ACES program for the fall and spring semester. During this event, all new students are formally introduced and welcomed into the Bennett community in a Ceremony of Matriculation.
- 2) **Founders’ Day Convocation** celebrates the selfless contributions of the institution’s founders. The celebration is generally scheduled during Family and Friends Weekend in which the entire Bennett Community is required to participate in this series of programs and celebrations. Student platform participants are required to wear black dresses/ black skirt suit or black skirt and blouse with flesh tone hose and black closed toe shoes.
- 3) **The Honors Convocation** is a ceremony that recognizes Bennett Belles who achieve academic excellence in their majors and in ACES attendance.

- 4) **Senior Day Convocation** is the ceremony in which each member of the senior class receives her cap and gown from her Little Sister(s). Seniors are allowed to wear her academic regalia for all formal convocations from the time she receives it until Commencement.
- 5) **Charter Day Convocation** is the convocation that celebrates the chartering of Bennett College as a four-year college by the State of North Carolina in 1889. It is held annually on the third Sunday of March following Senior Day. Seniors who received their robes during the Senior Day Convocation are allowed to wear their academic regalia along with traditional white dresses/ skirt suits/ blouses/skirts.
- 6) **The Casual White Breakfast** was begun to bring the College together to share a meal at the beginning of each academic year. One of the earliest and certainly the most everlasting traditions to be institutionalized at Bennett College is the White Breakfast. The tradition was established around 1930 by President David D. Jones, when he and Mrs. Susie Jones wanted to establish some lasting values and traditions.

*Required attire: White dresses/skirt suits/blouses/skirts. Flesh-toned hose and closed toe black shoes are appropriate.

OFFICE OF RELIGIOUS LIFE

POSTING AND ADVERTISING

We greatly appreciate the support of all churches, worship centers and religious-affiliated organizations. If you have an announcement you wish to make, you may share information through your personal email or other social media such as Facebook, Twitter, etc. However, an email blast to the campus or printed advertisements on campus will not be endorsed by this office and is not permitted. The Office of the Chaplain cannot specifically endorse any church-sponsored events and activities beyond those related to the UMC.

GUEST SPEAKER/MINISTRY REQUEST

If you are considering extending an invitation for a minister or other religious leader to speak on-campus, you must complete the Guest Speaker/ Ministry Form, which includes submission of a manuscript or video presentation of a message delivered

by the proposed speaker.

Additional information required includes: the name of the guest speaker; phone number; name of home church/ ministry; and the pastor's name and contact information. In order to facilitate this process, please do not wait until the last minute to make preparations. All information must be submitted 30 days prior to the proposed activity to ensure sufficient time in case an alternate speaker must be secured.

The request must be approved by this office before the guest is confirmed to speak. If the information is not presented in a timely manner and approved, you will need to reschedule or restructure your event.

The Office of The Chaplain and Campus Ministry adheres to the policies of the Student Activities. A description of the event, participants, date and facility requested is required. A separate Facilities Reservation Form is to be completed and returned to the Student Activities Coordinator.

In planning events, please let us be mindful of our sisters and other Bennett Community members. We will, as best as possible, attempt to not schedule services, programs and events when other activities are already scheduled.

Fliers and posters for all approved activities and speakers must be reviewed by the Chaplain before they are submitted to the Student Activities Office. The fliers/posters must be approved and stamped by Student Activities before they can be officially posted. Announcements without proper authorization will be removed from display.

No off-campus ministry or ministry representatives may be invited to the campus to conduct or sponsor any type of Bible or religious study, worship service, support and/or discussion groups or hold any gathering without proper approval from the Office for the Chaplain.

This policy is in place to avoid any hint or the appearance of favoritism or discrimination and to avoid a contentious or competitive spirit. The guidelines will also provide opportunities for our students to develop their leadership abilities within the Bennett family and extend to the community at large by leading such groups.

CAMPUS MINISTRY

- 1) **Student Christian Fellowship (SCF)** – The Student Christian Fellowship was organized to promote and enhance spiritual growth and development, unity and sisterhood. The ministry develops community projects and relationships with other young women on- and off-campus.
- 2) **United Methodist Students** – The United Methodist Students was organized to be a part of the United Methodist Women and to serve as a “community of women whose purpose is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship; and to expand the concept of mission through participation in the global ministries of the church.” Involvement with this group provides students with opportunities to attend conferences and to participate in worship and fellowship experiences. Young women will also have occasions to network with college students, helping to bridge cultural, socio-economic and ethnic boundaries. You do not have to be a member of the United Methodist Church to participate in this ministry.
- 3) **Spirit of David Praise Dance Ministry (SOD)** – This ministry’s mission is to share the Gospel of Christ through liturgical dance and mime.
- 4) **The Belles of Harmony Gospel Choir (BOH)** – The choir originated when Pfeiffer Hall residents of the class for 1973 formed the Belles of Harmony. Today, the choir sings in churches in Greensboro and other cities across the Eastern region of the United States.
- 5) **Campus Ministry (CM) Supporters** — If you cannot participate with Campus Ministry on a regular basis, CM Supporters offer their gifts as their time permits.
- 6) **Student Interfaith Council** – The Interfaith Council at Bennett College is a new initiative that will be comprised of students who represent the diversity of faith traditions on campus with the goal to build interfaith understanding, cooperation, and awareness on Bennett’s campus. The Council will organize events where individuals of different traditions can socialize, engage in dialogue, and serve their community together. Students will be instrumental

in inviting peers to collaborate on the details of each activity, implement programs and assess the outcomes as avenues for leadership development.

DOCUMENTATION GUIDELINES

Bennett College works to protect the rights of its students, faculty, and staff. In order to assure that every individual is protected under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973, documentation must be submitted that indicates the disability substantially limits some major life activity, including learning. It is the responsibility of each student to obtain the documentation and present a copy to the Office of Wellness and Accessibility Services.

Any correspondence regarding the adequacy of the submitted documentation will be sent to the student. It is the student's responsibility to obtain additional information or clarification. Qualifications of the examiner's documentation must

be submitted by a professional who is licensed or certified in the area for which the diagnosis is made. The examiner's name, title, and license or certification credentials must be stated in the document. The documentation should be on office or practice letterhead, dated, signed, and specifically addressed to:

Lucheia Graves, Ed.S., Ed.D.
Director of Wellness and Accessibility Services-
Division for Enrollment Management and Student Experience
Rose Catchings Complex
First Floor
336-517-1501 (Office)
lgraves@bennett.edu (Email)

The evaluating professional should not be related to the student in any way other than professionally

GENERAL DOCUMENTATION REQUIREMENTS

The following information should be included in the documentation submitted to the Office of Wellness and Accessibility Services.

- History Personal - Psycho-social, medical, developmental, and/or education history relevant to the cause for evaluation should be included.
- Specific Diagnosis - The documentation submitted to the Office of Wellness and Accessibility should include a diagnostic statement that lucidly identifies the disability. The ICD and/or DSM classification must be included.

All documentation submitted to the Office of Wellness and Accessibility will be stored for at least five years after the most recent date of contact or graduation from Bennett College. A student's file will be placed in an inactive status if there has been no communication with the Office of Wellness and Accessibility Services after four consecutive months.

DISCLOSURE PROCESS AND STUDENT RESPONSIBILITIES

Once documentation has been provided to the Office Wellness and Accessibility Services, it is the responsibility of the student to make an appointment to review the documentation. The student must qualify for and then assist in the development of the accommodation plan. Student input is a critical part of the process in promoting self-awareness and self-advocacy skills necessary for success at the postsecondary level.

Once the accommodation plan has been completed, it remains the responsibility of the student to provide each instructor with a copy of the plan, and to arrange a meeting time with each instructor to discuss the plan and any accommodations that the student will need in that course. However, at the student's request, the Office of Wellness and Accessibility may be called in to assist the student in explaining her individual needs to an instructor. Instructors may consult with the Office of Wellness and Accessibility on any general concerns about accommodations for disabled students. However, student confidentiality must be honored absent the written consent of the student.

FREQUENTLY ASKED QUESTIONS

1) Does Bennett College have a Learning Accessibility Program?

Bennett College has comprehensive support services for students with learning, physical, mental, emotional, and developmental disabilities. In addition to classroom accommodations, the Office of Wellness and Accessibility Services can provide or refer the services listed in the section titled Highlight of Services.

2) To whom can I send or give my documentation?

Documentation should be sent to: Lucheia Graves, Ed. S., Ed. D.; the Office of Wellness and Accessibility Services, Rose Catching's Complex – First Floor, (336) 517 – 1501, lgraves@bennett.edu

3) Do professors give untimed tests?

The student and the Office of Wellness and Accessibility review existing documentation and determine what accommodations are warranted. In some

cases, accommodations may include untimed tests. This service is provided in the Office of Wellness and Accessibility and not by professors.

4) Will professors allow me to tape their classes?

Yes, but only if that accommodation is stated in the accommodation plan. You also must request permission of the faculty member before recording any lectures. While this accommodation should not be denied by individual faculty members, they might ask students to either destroy or forfeit tapes after the end of a semester in an effort to protect intellectual property.

5) Does Bennett College provide tutors?

Yes, peer tutors in general education courses are available through Academic Services. These students are upper-class women usually majoring in the area in which they tutor and are recommended by faculty members. In addition, professional tutoring services are available in some skill areas. These services are available to any Bennett College student, not just to students with disabilities.

6) Does Bennett College provide note-takers?

If “peer notes” are identified on the accommodation plan, the student, professor, and the Office of Wellness and Accessibility Services will identify an appropriate classmate to serve as a note taker. Copies of notes are provided electronically to the student by the Office of Wellness and Accessibility Services. If the student receiving notes wishes to remain anonymous, she can make these arrangements through the office.

7) Does Bennett College waive course requirements?

No, course waivers are not granted for students with disabilities. At Bennett College, we believe in all students’ ability to succeed. Peer tutors and learning specialists are provided free of charge to assist in your journey to academic success.

8) What are my responsibilities as a student?

Once documentation has been provided to the Office of Wellness and Accessibility Services, it is the responsibility of the student to make an appointment to review the documentation. Students must qualify for and assist in the development of the accommodation plan. Student input is a critical part of the process in promoting self-awareness and self-advocacy skills necessary to success at the post-secondary level.

9) If I had a 504 Plan or an IEP in High School, am I guaranteed services and accommodations in college?

No, not necessarily. Services for high school aged students are governed by the IDEA (Individuals with Disabilities Education Act). Students with a federally-recognized disability are guaranteed services. Colleges and Universities are held to the standards outlined in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. These laws are anti-discrimination laws requiring that institutions make provisions and accommodations to ensure full participation and nondiscrimination regardless of disability.

In this instance, the need for a given accommodation is determined by demonstrated functional disability, not merely by diagnosis. However, it is the intention of Bennett College to meet or exceed federal guidelines and provide the support services that all students need in order to gain full access and opportunity. If you have any concerns about eligibility for accommodations or services at Bennett College, please feel free to contact our staff at any time.

10) Once I have decided to attend Bennett College, what should I do before school begins?

If you have not already done so, make arrangements to visit the campus and request a personal meeting with the Office of Wellness and Accessibility Services. You should come prepared to do the following:

- Provide your documentation to the Office of Office of Wellness and Accessibility Services as soon as possible. Early action will allow plenty of time to address any discrepancies or issues that may arise concerning eligibility for services or completeness of documentation.
- Make sure that the student is familiar with the contents of her

documentation and the nature and extent of the disability and is able to discuss the accommodations being requested.

- Fill out and return the Request for Accommodations form once you are accepted into the College.
- Participate in Belle Beginnings or early placement testing. If accommodations are necessary when taking math, English, or reading classes, be sure to notify the Office of Wellness and Accessibility Services in advance as soon as you know when you plan to take them. Accommodations may not be available without prior notice.

11) Who is responsible for requesting an interpreter?

Students requiring an interpreter for class must make the request to the Office of Wellness and Accessibility Services. For outside class requirements such as field trips or other assigned activities, as well as office hours, students should make a request for an interpreter at least two weeks ahead of time or more, depending on the event. The Office of Wellness and Accessibility Services cannot guarantee an interpreter when requests are made sooner than two weeks before the event.

NON-DISCRIMINATION POLICY

Bennett College prohibits discrimination on the basis of race, color, religion, creed, sex, age, marital status, national origin, mental or physical disability, political belief or affiliation, veteran status, sexual orientation, genetic information, and any other class of individuals protected from discrimination under state or federal law governing access to, admission to, or treatment of students in its programs and activities, or in employment and application for employment.

Furthermore, the College's policy includes prohibition of harassment of students and employees (i.e. racial harassment, sexual harassment, and retaliation for filing complaints of discrimination). In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disability Act of 1990, Bennett College will make reasonable adjustments in its policies and practices to ensure equal opportunity and access for qualified students, employees, and members of the public to applicable programs, services, activities and facilities.

Inquiries regarding the College's compliance with state and federal nondiscrimination laws or filing a complaint should be directed to: Lucheia Graves,

Ed. S. , Ed. D.; Director of Wellness and Accessibility Services, Rose Catching's Complex, First Floor (336) 517 – 1501, lgraves@bennett.edu.

Responsibility of Students

- Students should not fraternize with Campus Safety Officers. When on-duty, officers should remain focused. Idle conversation could prove distracting.
- Students should report any nuisance or badgering immediately to a Campus Safety Officer, who will report any violations of College regulations to the appropriate College official.
- Students should not bring weapons of any kind on the campus. It is a criminal offense for anyone other than authorized on-duty law enforcement personnel to have weapons on any college property.
- Students should not walk alone in isolated areas of the campus. A Campus Safety escort is available by calling 336-370-8621. Understand that the response for escort may not always be immediate.

The operator of that vehicle is responsible for the issued citation. All citations issued to a vehicle count towards that particular vehicle’s “total citations” received for the season. Examples of moving civil infractions include, but are not limited to: excessive speed driving thru campus and operating a vehicle where it is not intended for vehicle travel (fields, grass, sidewalks and etc.)
