

Dear Bennett Belle:

We look forward to providing you exemplary service at the Bennett College Student Health Center. The Student Health Center provides a variety of medical and other health services to our students.

North Carolina state law (general statute 130A -155.1) requires that all students entering college must present a certificate of immunization. Prior to your enrollment at Bennett College, you are required to submit an official record of immunizations.

Additionally, the Bennett College Student Health Center requests the following medical forms which provide information that will help expedite health services, should the need arise. They include the Demographic, Emergency Contact and Insurance Form, Consent Disclosure Information and a Verification and Authorization to Treat Form. Each form may be found in this packet.

Please be sure to submit your vaccine records. This information may be obtained from a number of sources, such as your pediatrician, parents, armed services, high school, and/or other health department sources as well as CVS Minute Clinic. Please submit all forms to the Bennett College Health Center on or before August 9th via email. You may also fax your information to (336) 517-2235.

Bennett College Student Health Center
900 East Washington Street, Box 5
Greensboro, NC 27401

If you have any questions, please contact us at 336.517.2230 or at Health_Center@bennett.edu.

We look forward to working with you, and welcome to Bennett College.

Sincerely,

Veita Bland, MD
College Physician

Angela Olalere CRNP
Nurse Practitioner
