BENNETT COLLEGE SECURES $1 MILLION GRANT FOR PFEIFFER SCIENCE HALL UPGRADES

Bennett College is thrilled to announce that the North Carolina Office of State Budget and Management has awarded the College a $1 Million grant for capital improvement. This significant investment will support critical renovations and repairs to the Pfeiffer Science Building, a cornerstone of STEM education on our campus, and support the institution's deferred maintenance plan.

The project's primary goals include modernizing the building's infrastructure to meet current safety and accessibility standards while enhancing its functionality for cutting-edge STEM education and research. The grant will fund essential upgrades.

This milestone underscores the institution's commitment to academic excellence and innovation in science education. For more information, contact Mrs. Elizabeth Waugh at ewaugh@bennett.edu.

BENNETT COLLEGE CELEBRATES E-CAMP PROGRAM SUCCESS

Bennett College recently celebrated the completion of the E-Camp Program, recognizing students who mastered coding and entrepreneurship through its rigorous curriculum. E-Camp (Entrepreneurship, Coding, and Artificial Intelligence for Members of the Community Program) is an educational program designed to provide students with foundational skills in coding and entrepreneurship. Led by Dr. Mondrail Myrick, the program's Principal Investigator, the initiative equips students with critical skills for today's tech-driven economy.

Mr. Derrick LeFleur guided students in coding, while Dr. Janice Wise introduced them to business fundamentals, blending technical expertise with entrepreneurial strategies. Students showcased innovative projects during the celebration, impressing attendees with creativity and dedication.

This vent highlights Bennett College's commitment to fostering future leaders in STEM and business, empowering students to thrive in competitive industries. Dr. Myrick stated, "The decision to celebrate our first cohort was a must. They put in a tremendous amount of work to get through this program, and they deserve to be celebrated." For more information, contact Dr. Myrick at Mmyrick@Bennett.edu.
