BENNETT COLLEGE AWARDED NO-COST EXTENSION FOR THE E-CAMP GRANT

Bennett College is pleased to announce that its E-Camp Grant, originally awarded in February 2023 for $699,950, has been granted a no-cost extension, now extending through July 31, 2025. This extension will provide additional time and flexibility to further enhance the college's innovative E-Camp programs aimed at expanding access to digital learning and providing valuable skill-building opportunities for students.

The E-Camp project has already made significant strides in increasing student engagement with technology and online education, and this extension allows Bennett College to continue building on those successes. With the extra time, the college aims to deepen its impact, refining its digital platforms and developing new strategies for student success in the evolving educational landscape.
